

Oxygen fix

Combining 1% active oxygen with vitamins A and E, Karin Herzog's Vita-A-Kombi 1 is a clever, fast-acting anti-ageing solution. On contact with your skin the liquid oxygen becomes an active gas and helps to massage skin and flush out toxins, leaving you fresh faced.

WE LOVE

Berry pretty

Celebrate the change in seasons with Nailberry's decadent polishes. Free from chemicals like formaldehyde, the five new collections will leave you spoilt for choice. We're loving The Berries range.

● £13.50, nailberry.co.uk

Damage control

With polluted streets having a place in most of our lives, stay on top of daily damage with Simple's Kind To Skin + range. Wearing a cream with an SPF is important even during the winter months to keep your skin protected and looking its best, so we can't get enough of the Protecting Moisture Cream SPF30.

● £3.99, boots.com

Luscious lips

Whether you're a pillar-box red or soft-focus blush kinda girl, Tory Burch's new Lip Colour Collection range has you covered. The 12 shades offer the perfect balance of sheer yet vibrant colour with a weightless finish.

● £22, toryburch.co.uk

BEAUTY HEROES

Update your look-hot routine with these fab new finds

Tress it up

Summer parched your locks? Time to give your 'do some love. Aveda's ever-popular Damage Remedy Range is packed with protein-rich quinoa, which helps to fortify, condition and repair strands. Combine the range's Daily Hair Repair and Intensive Restructuring Treatment for instant and long-lasting results.

● From £22, aveda.co.uk

Fresh start

Some of the freshest scents are the simplest ones - we're talking fresh linen and spring showers. Free from sulphates and hypoallergenic, US import CLEAN's fragrances and bath and body products are a luxurious way to pep up your day. We're loving the Cool Cotton Eau de Parfum for all-day light, refreshing vibes.

● From £33, beautybay.com

Clever cover-up

Annoying outbreaks killing your vibe? Try the Hollywood A-listers' go-to fix when blemishes strike - Amazing Concealer. Those in the know refer to the pocket rocket as a magic eraser! It's set to be every woman's handbag essential.

● From £19.50 for 6ml, available in 10 shades, marksandspencer.com

Combo heaven

We love a good facial serum as much as the next girl, but we also love facial oil - so you can just imagine how excited we are about the Sanctuary Spa's multi-tasking Wonder Oil Serum! Non-oily but super nourishing, the serum is lightweight and perfect for every day use.
